

The Coastal Learning Community is a partnership of public schools delivering outstanding education to students from Kindergarten to Year 12.

We are proud that our schools deliver excellence, innovation and creativity.

We invite you to be part of this dynamic Coastal Learning Community where our students are engaged in a diverse range of enriching opportunities.

Visit us to learn more about our extensive range of academic, sporting, social and performing arts programs.

### Bogangar Public School

Situated in beautifully landscaped and attractive surrounds, Bogangar Public School opened in 2004 and offers 'state of the art' facilities including a modern library, computer lab, spacious flexible learning spaces, hall, 'healthy tastes' canteen, games court and a before and after school care facility.

We offer:

- comprehensive academic programs with a strong emphasis on literacy and numeracy;
- highly qualified, enthusiastic, caring teachers who are committed to developing successful, confident, articulate students;
- innovative technology programs enhanced by our purpose built computer lab. In addition, students have access to fully networked computers with internet access in every classroom;
- popular creative and performing arts program offering drama, dance, art and music;
- exceptional student leadership program fostering confidence, self-discipline, informed decision making and a strong sense of social justice;
- safe and nurturing environment that develops respect, understanding and responsibility in all students;
- well structured and enjoyable fitness and sports skill programs; and
- highly valued relationships with our parents, P&C and the wider community.

"This is a wonderful, caring school - where you always feel welcome."

Melissa and Laurie Toms  
Parents

### Cudgen Public School

Cudgen Primary School is just a small step back from the coast. Our school is committed to providing parents with a great place for their children to learn and grow.

- Our highly trained and caring staff listens and responds to students, challenging them to achieve personal success.
- Additional programs are available to support students with special needs and interests.
- Parent and student contributions are welcomed in achieving our shared common purpose: making students our number one priority.
- We promote school pride and Australian values.
- We recognise that students need to be happy, successful, respectful, and confident both academically and socially.
- Our well resourced school features award winning gardens and an enriched learning environment.

### Duranbah Public School

At Duranbah Public School, we are committed to developing competent, responsible and enthusiastic students by providing relevant and challenging learning activities.

Our aim is to encourage independent learning, self-esteem, tolerance and self-discipline in a safe and harmonious environment.

Our school is proud of:

- quality educational programs with an emphasis on literacy and numeracy using modern interactive technology;
- recognising and catering for individual learning needs, so that all students achieve their full potential;
- enhancing creative thinking in all learning areas;
- developing community and environmental values;
- fostering leadership;
- parent involvement in all aspects of school life and decision-making; and
- a great family atmosphere in our beautiful gardens and playground.

"As a school community we are all learning for life' together, with pride."

Nichola and Joel Hallac  
Parents

"My child has developed a passion for learning and loves going to school."

Rebecca Uhlmann  
Parent

### Fingal Head Public School

A friendly community school within a nurturing environment that developing values, tolerance, responsibility and respect, Fingal Head Public School offers opportunities for success for all students.

We offer:

- close partnerships between parents and teachers including a very active, hard working P&C;
- excellent structured learning programs across all curriculum areas;
- individual daily access to innovative technology and use of interactive whiteboards;
- participation in local sporting and cultural activities with great success in sport at all levels;
- air-conditioned classrooms and library, a covered outdoor multi-purpose learning area and a platformed enviro-walk within school grounds; and
- an active after school community program.

“The students benefit from the dedication, enthusiasm and warmth shown to them.”

Sue Ziebell  
Parent

### Kingscliff Public School

Kingscliff Public School has a proud history of providing quality education. We offer:

- structured learning programs ensuring a strong foundation for our students;
- the opportunity for students in academic, cultural and sports programs;
- a focus on the use of technology in learning programs;
- a friendly school community that promotes core values, social skills, leadership and citizenship; and
- a welcoming environment where students, staff and parents work together.

“Our children leave the school with the highest level of education they can achieve.”

Sue Ziebell  
Parent

### Kingscliff High School

We are proudly comprehensive and co-educational. We value strong community support and ties to the adjacent TAFE. We have won three Director General’s Awards for outstanding achievement.

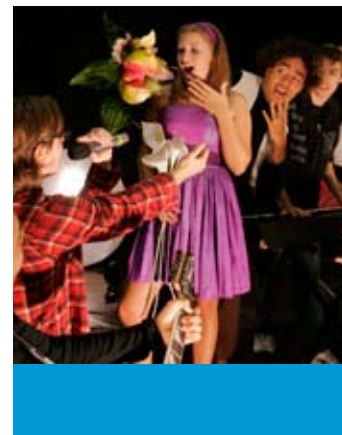

We strive to develop personal attributes and learning outcomes in all students through their participation in learning programs, enrichment activities and role modelling by staff.

These personal attributes include:

- communication skills and critical thinking;
- honesty and integrity, politeness and good manners; and
- working with others with tolerance and respect.

Our school features:

- committed teachers with strong loyalty to the students in their care;
- impressive academic results;
- wide curriculum choice;
- exemplary creative and performing arts and sports programs;
- leadership in information communication technology; and
- pride in our uniform.

“The school is a leader in technology, creative arts and sport - and has access to a wide range of experts.”

Megan Hayes  
Parent

“The teachers take pride in delivering a very high quality of teaching.”

Lee Sharp  
Parent
